

4 Guys And A Roof Earns Nationally Recognized 2016 Angie's List Super Service Award

Award reflects 4 Guys And A Roof's consistently high level of customer service

TOLEDO, OH DECEMBER 13, 2016 4 Guys And A Roof has earned the national home remodeling industry's coveted Angie's List Super Service Award. The Super Service Award reflects an exemplary year of customer service to members of the local home services marketplace and consumer review site in 2016. This excellence achievement is significant on several levels as Angie's List experienced unprecedented member growth during 2016. More than 1.6 million consumers joined Angie's List after the company added a new, free membership tier, many consumers of whom were eager to find and hire highly qualified service professionals.

"Companies like 4 Guys And A Roof that can meet higher demands without missing a beat in their exemplary performance standards truly do stand apart from their peers in the home remodeling industry," said Angie's List Founder Angie Hicks. "Only a fraction of the home improvement companies in Northwest Ohio were able to do it."

Angie's List Super Service Award 2016 winners, like 4 Guys And A Roof, have met strict eligibility requirements, which include an overall grade, recent grade, and review period grade with an "A" rating. Super Service Award winners must also be in good standing with Angie's List, pass a thorough background check and abide by Angie's List operational guidelines.

"Winning the Super Service Award for the ninth year in a row really says something about our customers and 4 Guys And A Roof. It says we have earned the trust of so many homeowners, and our roofing service is recognized and can be trusted to be second to none! Those reasons alone make me very proud," said owner Jamie Wietrzykowski.

"It should be understood, our Angie's List service company ratings are updated daily on Angie's List as every new and verified consumer review is submitted. We are graded on an A through F scale in areas ranging from price to professionalism to punctuality. Awards like this one recognizes all the hard work we put into meeting customers expectations every single day!" Jamie further explained.

###

Angie's List helps facilitate happy transactions between more than 4.5 million consumers nationwide and its collection of highly rated service providers in more than 720 categories of service, ranging from home improvement to health care. Built on a foundation of more than 10 million verified reviews of local service, Angie's List connects consumers directly to its online marketplace of services from member-reviewed providers, and offers unique tools and support designed to improve the local service experience for both consumers and service professionals.
